## **About/Contact Us**

Founded in 2010, we are an established group of Shakespearean addicts based in the University of Hong Kong. With a mission to promote theatre culture to local youngsters by providing them with an out-of-the-classroom educational experience, a chance to hone literary and language proficiency, and participate in social inclusion, we bedazzle with an array of acting, dancing, singing, composition and live band play, alongside adaption to the modern 20th century. Our 2016 comedy *The Two Gentlemen of Verona* won Best Ensemble and Best Director at the Hecklers (hosted by HKELD). Our 2017 production *Love's Labour's Lost* won in the following categories: Best Show (Non-Musical), Best Ensemble, Best Director and Best Supporting Actor. Since 2018, we have started a bilingual initiative, adapting and performing Shakespearean plays in English and Cantonese annually.
